Online TTCT Preparatory Course 2025

The purpose of a Preparatory Teaching Course is to give musicians the opportunity to explore their skills as aspiring teachers. This course would be the next step in the Comhaltas Education Programme and would bridge the gap between the SCT and the TTCT. While a candidate gains the valuable teaching experience necessary for entrance to the TTCT, this course gives the teacher guidelines and the incentive to further enhance their potential. This one day course is aimed at potential teachers from 16 years of age and up. No previous teaching experience is required. This course also provides an incentive for current TTCT teachers to refresh their knowledge and skills if they so wish.

The Course covers Methodology, Common Repertoire Types, Child Protection, SCT as a teaching tool, Teaching Practice/Demonstration and concludes with Reflection and Discussion

Date: **Sunday 21st of September 2024**
Time: **10.00am – 5.00pm.**
Course Fee: **€50**

If you are interested in this course please fill out the short application below and email it to eolas@comhaltas.ie as soon as possible as spaces are limited.
